THE LARGEST LEADING BUSINESS FORUM FOR THE CARE SECTOR

Welcome to...

CARE INDUSTRY FORUM 2022

in association with CARE ENGLAND

Care Industry Forum puts Suppliers directly in front of 55 high-profile, senior decision-making executives working within the Care sector to build strong business relationships, as well as discuss and negotiate supply opportunities.

Suppliers will meet with senior decision-makers in pre-scheduled one-to-one appointments that we arrange for you. All meetings are held at private desks and are at set times during the forum.

Care Industry Forum will bring **55 Care Home Managers**, **Directors** and **Owners** directly to your desk where business deals can be pitched and discussed.

All Buyers have confirmed that they want to meet with suppliers to discuss supply opportunities they currently have, and the appointments we set for you / pick yourself will allow you time to introduce yourself and discuss how you can supply your products and services.

Between your busy schedule of appointments, you can also take part in social sessions and network further with other attending delegates.

Care Industry Forum presents you with a fantastic opportunity to meet directly with a number of senior decision-makers with real purchasing power who you can pitch your products and services directly to, allowing you to develop immediate sales opportunities.

Suppliers can still continue to meet and sell to potential clients over a networking lunch, social sessions and a **Black-Tie** Christmas Gala Dinner Function.
