## BUYER DELEGATES

### Introduction

The Healthcare Forum 2024 will introduce Owners/Directors/Purchasing Executives directly to leading dynamic suppliers from all areas of the supply chain.

### Why ATTEND?

The whole spectrum of the care sector supply chain will be covered including: mobility aids, medical equipment, IT & software, staffing, facilities management, food & beverages, furnishings, waste management, utilities/energy suppliers and cleaning & hygiene to name a few.

Buyer Delegates can spend quality time meeting with suppliers and discussing supply solutions and opportunities.

Meetings are set up on a 1-2-1 basis held at your own meeting desk in the main forum area.

Planned networking and social sessions provide additional time for delegates to meet and to develop business contacts and relationships.

Buyer delegates will save huge amounts of time at the Healthcare Forum by being able to focus fully on meetings with suppliers in a professional environment conducive to doing business.
