WELCOME TO CARE ENGLAND FORUM 2023

A specialist business forum for the supply chain requirements of Care & Nursing Homes.

**MAXIMUM
OPPORTUNITIES IN THE
MINIMUM TIME!**

Getting **quality time** in front of Directors/Buyers is of prime importance to Suppliers, but it can be a difficult process to secure an appointment time with a high-level decision-maker.

Care England Forum has **50 Senior Purchasing Executives** from leading Care Homes for you to meet with.

That's 50 potential clients **located in one place** at one time, and you can meet them in just two days.

SUPPLIER PACKAGE

Care England Forum puts Suppliers directly in front of high-profile, senior decision-making executives who work for Care & Nursing Homes where supply opportunities can be discussed.

Suppliers will meet with senior decision-makers in pre-scheduled one-to-one appointments that we arrange for you. All meetings are held at private desks and are at set times during the forum.

Care England Forum will bring 50 Care Home Managers, Directors, and Owners directly to you where you can pitch supply and business opportunities to them.

All Directors/Buyers have confirmed that they want to meet with suppliers to discuss supply opportunities they currently have within the appointments we set for you. This will allow you time to introduce yourself and discuss how you can supply your products and services.

Between your busy schedule of appointments, you can also take part in social sessions and network further with other attending delegates.

Care England Forum presents you with a fantastic opportunity to meet directly with a high number of senior decision-makers where business lunch functions and a Gala Dinner evening will provide additional opportunities to meet with potential clients and do business.
