SUPPLIER DELEGATES

Introduction

The Healthcare Supply Chain Forum puts Suppliers directly in front of Owners, Directors & Managers from leading care & nursing home providers, hospitals & hospices and medical centres/clinics.

Suppliers will take part in pre-arranged, one-to-one meetings with attending directors and managers, providing the opportunity to present their products and services and discuss current and future supply opportunities.

Why Attend?

If your company is involved in providing products & services to care homes, medical clinics and hospitals then this is the perfect opportunity to sell directly to key decision makers.

The forum features personalised appointment schedules for both care operator delegates and suppliers. These schedules include structured 15-minute, one-to-one meetings designed to maximise engagement and efficiency. Lunch and an evening dinner function also provide valuable opportunities for networking and relationship building.

This is a unique and direct format that gives suppliers a ready-made audience of potential clients to work with in just a two day window giving the optimum opportunities for high levels of business to be won.
