SUPPLIER DELEGATES

Introduction

The Healthcare Property & Supply Chain Forum puts Suppliers directly in front of owners, purchasing executives, facilities managers & property executives who work for leading care & nursing home providers, hospitals, retirement villages and hospices and key decision-makers involved in the design, build and management of healthcare estates and facilities

Why Attend?

If your company is involved in providing products & services to care homes or have products and services that will support healthcare property management then this is a must-attend forum.

Suppliers have 2 days of high quality time with the Buyers, made up of one-to-one appointments, networking sessions, lunch and dinner functions where strong business relationships can be built and supply requirements discussed in detail.

The Healthcare Property & Supply Chain Forum is a key meeting hub for Executives to meet with suppliers saving both parties time and costs. Delegates travel to one destination to meet and suppliers have a captive audience of potential clients to sell to.

This is a unique and direct format that gives suppliers a ready-made audience of potential clients to work with in just a two day window giving the optimum opportunities for high levels of business to be won.

Between your busy schedule of appointments, you can also take part in social sessions and network further with all attending delegates.

The forum is designed to give suppliers the best opportunities to do business with senior decision makers from leading companies
