### Introduction

Over 200 delegates will attend **CIF 2024** and take part in focused buyer & supplier one-to-one meetings, networking sessions and our extravagant **CIF Black Tie Festive Gala Dinner**.

Now in its 15th year, **CIF** has grown into the largest yearly gathering of care sector executives and consistently delivers high levels of business results to all that attend.

### Why ATTEND?

The whole spectrum of the care sector supply chain will be covered, including: mobility aids, medical equipment, IT & software, staffing, facilities management, food & beverages, furnishings, waste management, utilities/energy suppliers and cleaning & hygiene to name a few.

Buyer Delegates can spend quality time meeting with suppliers and discussing supply solutions and opportunities.

Meetings are set up on a 1-2-1 basis held at your own meeting desk in the main forum area.

Planned networking and social sessions provide additional time for delegates to meet and to develop business contacts and relationships.

Buyer delegates will save huge amounts of time at the Care Industry Forum by being able to focus fully on meetings with suppliers in a professional environment conducive to doing business.
