# WELCOME TO CARE & NURSING FORUM 2023

A specialist business forum for the supply chain requirements of Care & Nursing Homes.

# DIRECTOR/BUYER DELEGATES ARE FULLY COMPLIMENTARY

Care & Nursing Forum will bring senior decision-makers from the UK's leading Care Homes and Healthcare providers together with dynamic, specialist suppliers.

Delegates will spend quality time together meeting in schedules of one-to-one appointments, as well as planned networking and social sessions.

Directors/Buyers meet with dynamic suppliers who specialise in supplying products and services to the Care sector in one-to-one meeting schedules. During these meetings suppliers can pitch their company and its services directly to the buyers.

This will provide the Directors/Buyers with a greater knowledge and understanding of what Suppliers are in the market place and what cost savings can be achieved.

All appointments are pre-arranged by us before the forum, and all suppliers will be relevant for your business requirements.

The whole spectrum of the Care sector supply chain will be covered, including:

Medical Supplies, Medical Equipment, Patient Welfare Products, Nursing Equipment, Mobility Aids, Cleaning & Hygiene, Waste Management, Care Management Software, Staffing, Uniforms, IT Systems, Communications Systems, Catering Equipment, Food & Beverage Supplies, Laundry Systems, Linen/Towels, Furnishings, Soft Furnishings, Interior Products/Services, Building Services, Facilities Management, Fire & Security, Energy & Utilities, Consultancy & Brokerage Service, Professional Services, Pest Control and many more.

Delegates will spend further quality time in planned networking sessions and social functions, including pre-dinner drinks and a Gala Dinner Function with entertainment. This gives delegates the opportunity to create new and lasting connections with high-profile executives.
